ArtScape 2019

The ArtScape Banner Project was launched in 2017 in Hendersonville to celebrate our arts community and to enliven and add color to our historic downtown district. ArtScape provides a showcase for our many talented artists in Henderson County to display their artwork on a year-round basis. Adults age 18 years old and over were invited to participate in this juried competition.

ArtScape is made possible by organizations, city governing bodies, sponsors, and foundations who contributed to this project.

Thanks to Winchester, Virginia and the Shenandoah Arts Council for their inspiration and guidance.

The ArtScape Committee would like to thank our supporting partners.

ArtScape is made possible in part by support from www.artscapehvl.org | artscapenc@gmail.com Facebook.com/ArtScapeHendersonville

Presenting an outdoor gallery experience for tourists and locals alike, this public art project on the streets and side avenues of Hendersonville provides an opportunity for people of all ages to enjoy a self-guided art tour.
